

**MAYFLOWER DISTRICT COURT
DISTRICT OF CLARK COUNTY**

Kozjani,

Plaintiff,

v.

State of Mayflower,

Defendant.

CASE NO. EX-0096-24

STATE'S STATEMENT IN OPPOSITION

STATE'S STATEMENT IN OPPOSITION

The defendant in the aforementioned matter respectfully submits this statement in opposition, opposing the plaintiff's request to expunge.

ARGUMENT

Good evening all, I write this statement to the court opposing the plaintiff's request to expunge. I'll now cut to the point and direct all my reasons for opposing this in my argument. Plaintiff Kozjani filed for expungement on November 11th, in which was a day after judgment had been given in his criminal case. While judgment was given in this criminal case, a motion to reconsider judgment was filed to the court on the 7th of November, and the court is still reviewing the motion and has yet to make judgment on the motion. The court has entertained the request to file a motion for reconsideration of the judgment, therefore any request to expunge would be nobly wrong while judgment is still to occur on whether the criminal case should stay open, or close for good.

A criminal case potentially being open prejudices this expungement petition tremendously.

Therefore, we the state, request that you deny or hold proceedings on this expungement petition until judgment has occurred in [State of Mayflower v. Kozjani, CR-0030-24](#).
